All subsequent starts will have a starting signal at the time each boat is scheduled to start.

The Starting Line will be in Bristol harbor, off State Street dock between an orange, inflatable buoy and a staff displaying an orange or white flag on the Race Committee signal boat.

Each boat shall check in with the Race Committee boat on the starting line before the race providing the following information – sail number, number of people on board.

Starting Sequence: A Scratch Sheet listing the starting times for all racers will be made available prior to the race at the Bristol YC or emailed to the address on the applications. Timing will be based on GPS time.
