## Wow... It's cold!

What a great time to plan warm weather sailing. Or maybe attend a lecture talking about warm weather sailing. Or maybe learn about global warming. Here is what we have going on to help get through the cold days ahead:

### Winter / Spring Lecture Series

#### Global Warming & Coastal Flooding – February 16th

On **February 16th** we will have a presentation by Dave Vallee on global warming and the impact of ocoastal flooding. You may remember Dave from his well-received presentation on hurricanes last summer.

#### J Class World Championships – March 8th

In March we will shake things up and move Friday to Thursday with a dinner and lecture on Thursday **March 8th**. The presenters will be Sail Newport's Brad Reed and photographer Rob Miglioccio. The presentation will be photographs taken by Rob of the J Class World Championships with a narrative from Brad. Brad was a navigator on *Hanuman*. Brad will also give us an update on the Volvo race and the plans for the Newport stop over.

#### Sail Trim with Kimo Worthington – April 27th

On **April 27th** new club member and professional sailor Kimo Worthington will give a presentation on sail trim... just in time to get you tuned up for the Millard Series!

### Cruise Planning

Regarding cruises, the first cruise meeting was held on January 6th. It was well attended and everyone is looking forward to the annual cruise that wi ll start on **July 14** Destinations are not finalized, but we will likely be sailing east with Edgartown or Vineyard Haven as the ultimate destination.

We also discussed introducing a new event – an idea brought to us by the Commodore – a pocket cruise. This will be a cruise somewhere within Narragansett Bay and it will be designed to be simple and available to smaller boats and boats with less cruising experience; or for folks with less time to get away. This will give members a chance to get into cruising with low risk. That event will take place at some point in August. More details will follow.

The next cruise meeting will be held on **Saturday, February 10th at 4:00P.M.** The bar will be open, so come join even if you have not been out cruising before.

## COMMODORE'S QUARTERS

### Happy New Year!

It was great to see so many of our members on New Year's Day for the Pot Luck lunch. The food was excellent and the company even better! Events like this truly showcase our BYC camaraderie. Everywhere I looked, I saw members (and a couple of prospective members) chatting, enjoying the food and beverages, and just having a good time. This is what the off-season is about, and it's what we are about. While boating is what brought us together, it's the fellowship of the Club that keeps us together.

With the holidays behind us, we are gearing up for another season and your Executive Board is hard at work getting plans together to help guide us along. The Social Committee is planning some fun and tasty events in the near future; and don't forget about the Friday night dinners. Check out the Mainsheet and watch for the BYC Weekly to get all the up-to-date information on what's happening at the Club.

Come on down and meet some new friends, or reacquaint with old ones.

*Ruth E. Souto – Commodore*

## The Play-Offs at the BYC

On Sunday, January 21, club members gathered at the BYC to watch the New England Patriots face off against the Jacksonville Jaguars in the AFC Football Championship. Chris set up the projector for the big screen experience including comfy chairs, tables and high-tops. Decorations added to the football experience. There was plenty of pizza, wings, chips, dips, cookies and cake to go around. Despite the Patriots slow start, the enthusiastic crowd stayed with their team throughout the game and were rewarded with a thrilling win that was made even better by the fact that they were sharing it with 50 of their BYC friends.

This was truly a wonderful way to watch the game, as the banter and "expert" analysis filled the room. We are considering duplicating this type of gathering for the upcoming Olympics as well as a Sox/Yankee Baseball Game. Please look for these upcoming events on the calendar.

## January 27th Cuban Night at the Club

Club Members were recently treated to delicious food, music, and slides of Cuba. We were given a brief history of Cuba, then some excellent pictures of the routes our two teams sailed. Ten sailors from our club took part in the Miami to Havana Race in 2017. The Yacht Club of Havana presented them with their club burgee which we will proudly display in our meeting room. These are some of our sailors who raced in this event.
