Along the waterfront, or just up the hill in our historic downtown, visitors will find many fine restaurants, art galleries, groceries, farmer's markets, a movie theater, pubs, shopping, and much more. Provisioning, entertainment, dining, and local marine vessel services are all available within walking distance.

In addition, visiting boaters may also enjoy our waterfront parks and public access including the Harbor Walk and Rail Trail, which stretches almost 3 miles along the waterfront, across the Armistice Bridge (pedestrian bridge) and up the Passagassawakeag River, providing scenic strolling, jogging, dog walking, and bicycle riding. The Museum in the Streets is another lovely guided walk around town, perfect for exploring the history of Belfast. For a list of other activities, events, and services our wonderful City offers, click the 'Just Visiting' tab on the City's Home Page.

Opened in 2017, Belfast Marina & Yacht Club is a great new addition to the family of marinas on the Maine coastline. Nestled on the shores of the Passagassawakeag River in Belfast, Maine, guests will enjoy gorgeous views and endless relaxation in this tucked away location. During your stay, you will have access to fantastic amenities that will make your time comfortable and convenient. You will have access to brand new showering and restroom facilities, as well as a laundry area. Guests are encouraged to bring the pups, as this is a pet friendly facility with plenty of room to run around. Just minutes to the marina are additional amenities including various retailers, bars, and restaurants. If you prefer to stay on property, the marina does have a picnic area completed with grills, great for a homestyle BBQ. Everything you need for a successful weekend getaway is just minutes away from your slip!
